Picnic Cruiser based on Pittwater for just
\$57,500 + \$753 per month*

For more than 25 years, ocean racing champion Mark Richards has been involved in all aspects of the design and manufacture of every Palm Beach model. Mark's goal has been to set and then exceed the standards of performance, efficiency, luxury and style, and this timeless and head turning PB32 Picnic Cruiser is not exception.

"Black Pearl" is a beautifully constructed fibreglass masterpiece with magnificent hand crafted timber features and finishes. Modern composites make her super light and bring her timeless design into the twenty first century. Combine these attributes with an efficient hull, knife like entry and you have a motor cruiser that slices through the water effortlessly and economically with the power coming from a single 420HP Yanmar diesel. She is, of course, equipped with both a bow and stern thruster for easy maneuverability.

Minimalist is the best way to describe her look, with large laminated glass windows to provide excellent visibility from the interior so you don't feel at all claustrophobic. The rear deck and saloon are on one level as the helm and transom - just one continuous walk through. "Black Pearl" has a comfortable overnight forward berth and as expected there is a full headroom toilet and shower.

This Palm Beach PB32 is unique in so many ways, so if you looking for the perfect day boat or occasional overnighter, "Black Pearl" is a once in a lifetime opportunity. Best of all, she's here now and available.
