

HANSE 345

****BAYVIEW / PITTWATER BASED**** **Be sailing immediately for just** **\$27,500* + monthly fee of \$614**

The Hanse 345 is a design based on what the market wanted - the highest comfort imaginable in a 34 footer. BREEZE features the popular three-cabin layout with generous lounge dining area plus separate toilet and shower. The cockpit is large with all sheets and lines leading back to winches at each wheel, there is also a self tacking headsail AND the optional in-mast furling. BREEZE is fitted with a comprehensive navigation package and colour chart plotter.

* To secure your share a \$2,000 (two thousand dollars) deposit must be paid. This amount is fully refundable within a seven-day period from the date of your signed application form and upon written request to refund the money. Upon expiry of the seven-day period the \$2,000 (two thousand dollars) deposit becomes a Security / Insurance Excess Deposit and is held for the term of your syndicate share. At the end of the term, and subject to no insurance claim as a result of damage by you, the \$2,000 (two thousand dollars) will be returned in full.

MONTHLY FEE: The ongoing maintenance payment (paid quarterly in advance) covers all predictable running expenses associated with owning and using the boat. These include: Administration and management, Comprehensive insurance, Marina / mooring fees, Servicing and maintenance, Annual slip, antifoul and hull polishing, Linen and laundry, Contingency fund for repairs and equipment replacement, fuel and gas

The Perfect Yacht Design

How do you build the perfect yacht? Where do you start? The only place is with a great design.

Hanse employs the best yacht designers in the world. Judel / Vrolijk design every Hanse yacht. They are quite simply the best designers of cruising and racing yachts in the world.

Their designs win awards . . . and their yachts win races. Judel / Vrolijk shot to fame when 'Alinghi' won the America's cup.

And they have over 20 years experience designing the very best yachts.

The Hanse 345 is in a Class of Her Own

Whether you're a new or experienced skipper this 34-foot yacht is an absolute pleasure to sail. The 345 interior is designed with incredible light, ventilation and space for 34 footer. The Hanse Group and the Judel / Vrolijk Design team listened carefully to existing customers and created a yacht with unsurpassed comfort above and below deck.

Key Features and Choices

Interested . . . come on down for a test sail, NOW!

NEW 345 A STUNNING SURPRISE

INNOVATIVE COCKPIT DESIGN Double helmsman position with easy access through the twin steering wheels to the large folding bathing platform with teak decking. Spacious and well protected cockpit with a sturdy cockpit table with stainless steel handrails. Two large waterproof stowage scoops.

SINGLEHANDED SAILING German mainsheet system and the self-tacking jib allows control from both sides. All halyards, sheets and reefing lines run below the decks to the helmsman positions. Large lockers for sheets and lines stowage.

COMFORTABLE LIVING Easy access below decks with a large companionway, low threshold, patented cascade washboard and solid stainless steel handrails. Five flush opening deck hatches and two cockpit port lights for natural light and ventilation in all cabins.

PERFECT MANAGEMENT Hanse invented the integrated self-tacking jib system. All halyards, sheets, trimming and reefing lines are completely covered and run aft below the decks to the helmsman position. There is an extra genoa track for an optional larger 105% genoa.

ESSENTIAL CRUISING GEAR Strong genoa furler and multifunctional bow fitting with anchor roller, solid teak step and gennaker attachment point. Self-draining anchor locker with electric windlass and storage space.

LIGHT AND STRONG Elegant hull-deck-joint eliminates toe rail fixings. The hull laminated with vinyl ester resin for osmosis protection, the deck as a strong and lightweight sandwich construction with balsa core. Main bulkhead laminated to hull and deck.

HANSE STANDARD T-keel with extra safe keel-hull assembly from the solid bottom structure and strong high quality stainless steel bolts. A shallow L-keel is optional. Effective pre-balanced rudder with self-adjusting bearings.

CHOOSE YOUR INTERIOR The Hanse 345 offers a double aft cabin version, unique in her class. The saloon sofa is easily convertible into a double berth. There is a choice between three interior and three floor woods, two galley worktops and a large selection of upholstery colors and material.

SLEEK COACH ROOF DESIGN One step high, easy to walk over. Teak cover with integrated handrails for sheets and trimming lines. Five flush hatches, four coach roof windows and four light stripes.
