Love at first sight. The profile is sleek, the impression of power obvious. The Gran Turismo 40 has attractive curves that generate envious looks. A desire to fly to the horizon, riding on the air cushion effect of the latest generation Air Step technology. A sports cruiser with a marked Italian character, the GT40 carries pilot and passengers at full speed, in complete safety and with ample space to fully enjoy the thrill of being onboard.

Huge side windows, a large electric opening sunroof and seats that convert into sun beds. Harmonious. Comfortable. Luxurious. Sociable. The Gran Turismo 40 offers a sublime entertaining space and a class leading cockpit with seating for up to 12 people, there's even an integrated BBQ and sink on the transom.

Down below, the two-cabin layout featuring a fully equipped galley and spacious bathroom are perfect for extended cruises with family and friends. You will always feel "at home".

The huge hydraulic submersible swim platform is the largest in its class and dips for easy access for water sports and swimming. It also stabilizes the boat at anchor for comfortable night's sleep on board.
